

Barnsdall Public Water Supply

DRINKING WATER PROBLEM CORRECTED

Customers of the Barnsdall Public Water Supply were notified on February 6, 2016 of a problem with our drinking water and were advised to boil the water before consumption.

We are pleased to report that the problem has been corrected and that it is no longer necessary to boil the water before consumption.

We apologize for any inconvenience and thank you for your patience.

Further details:

For further information please contact Osage Co. RWD #15
Johnna Huddleston at 918-396-2552.

As always, you may contact the Water Plant at 918-847-3522 with any comments or questions.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by the Barnsdall Public Water Supply.
